

Exploring our Council's Camps

For: All Girl Scout Age Levels

Objectives: Girls will explore each of the Girl Scouts of Southern Alabama's four camp properties-Scoutshire Woods, Kamp Kiwanis, Camp Humming Hills and Camp Sid Edmonds. The girls will earn each patch quadrant as they explore the camp and discover what makes each camp unique. To earn the entire patch, all four properties must be visited and the following number activities completed at each camp.

Guidelines: Complete the following number of activities for each level, including at least one from each category.

The starred (*) activities are required.

- Daisies complete 4 activities
- Brownies complete 5 activities
- Juniors complete 6 activities
- Cadettes complete 7 activities
- Senior/Ambassadors complete 7 activities

(Please check patch availability at <http://shop.girlscoutssa.org/patches-natl-council.html> before beginning activities)

Discover:

*Review the rules and regulations of the camp

*Learn about the Leave No Trace principles

Plan a meal for your camp experience

Research what you need to pack for the camp you are visiting

Research what activities and equipment are available for troop to use at each camp

Plan the activities you will want to do while visiting the camp

Connect:
